Scan My Portfolio

Hello, ★ I'm Meera!

"B.Des Communication Design candidate at National Institute of Design focused on crafting intuitive, user-centered digital experiences. Skilled in Figma, Adobe XD, Sketch, Illustrator and Wireframing, with hands-on experience applying these tools to real-world UI/UX work. Demonstrated impact across 1 project and 1 internship, consistently combining rigor with clear communication."

Achievements

- ★ Design Jam Winner – 1st place, campus-wide 48-hour design jam, 2025

Projects

Grocery App Redesign — behance.net/meeraiyer/grocery-redesign

End-to-end UX overhaul of a grocery delivery app, raising task completion rate in usability tests.

Figma

Maze
